

JUNE CAMP REGISTRATION FORM 2022

Enrollment is on a first come, first serve basis with a completed registration form and payment. Shortly after your registration form is processed, you will receive an email confirmation of your child's enrollment in each camp session. In the event that we receive a registration form for a session that is full, you will be contacted and given the option to be put on a wait list. In May, you will receive a parent letter with detailed information regarding our summer program. All children must have an updated medical form, permission agreement and emergency contact form on file with The Preschool to attend any camp session.

A completed registration form, accompanied by payment, should be returned to the main office of The Preschool or mailed to:
